GOSHEN SPRINGS CAMPGROUND

The campsite best-known as a fisherman's haven houses a pavilion for fishing tournaments, boat launches with piers, boat slips, and a long mooring area for weigh-ins. Fish from a boat or the shore for bass, perch, and giant catfish. Visitors gain easy access from the historic Natchez Trace to this up-river site.

Campers have a choice of shaded overnight camping pads with full hook-ups, popular monthly rental pads, a bathhouse, pavilion, swimming pool, nature trail, and laundry facilities ... the perfect place to cast your cares away.
